How to Find Intersectional Sponsorship When Leadership Doesn't Look Like You

The value of sponsorship versus mentorship is well known, but what about the value of intersectional sponsorship? Finding and fostering it is a beneficial solution for employees with teams that don't reflect their identities. The panel will unpack how to make intersectional sponsorship successful, how to set up a program, and how it can work in tandem with informal shared-identity mentorship.

I'm Kellie Wagner!

CEO & Founder of Collective

- Nearly a decade working in tech startups
- On a mission to make companies more inclusive and empowering of underrepresented talent
